

MOR TAYLOR PLANETARIUM

This Fall, experience stunning visual journeys from the deep secrets of Earth's oceans and crust to the furthest, fastest frontiers of outer space, including a live, guided tour of our night sky.

UNSEEN EARTH: OBSERVE, UNDERSTAND, RESPOND

See our planet like never before. Watch Earth's dynamic, ever-changing ecosystems come to life through the lens of high-tech global satellites.

Recommended for ages 8+.

LIVE SHOW! MONTANA SKIES

Your live guide to tonight's Bozeman sky! Spot returning galaxies, view seasonal constellations, and witness the latest groundbreaking discoveries from the world's new Nancy Roman Grace space telescope.

Recommended for ages 10+.

COSMIC COLORS: AN ADVENTURE ALONG THE SPECTRUM

Take a vibrant journey through the world of color and beyond! Discover the secrets behind a red Martian sky and explore the spectacular spectrums of light invisible to the naked eye. **Recommended for ages 6+.**

Generously sponsored the Sheehy Family Foundation, Richard & Denise Sheehy.

DARK BIOSPHERE

Journey miles beneath Earth's crust to discover bizarre microorganisms thriving in extreme darkness. This stunning show will challenge everything you know about the origins of life on Earth and across the universe.

Recommended for ages 10+.

Generously sponsored by Ken & Karen Kress.

NEW! FASTER THAN LIGHT: THE DREAM OF INTERSTELLAR FLIGHT

Hop aboard the spacecraft of tomorrow! Discover the mind-bending physics, exotic fuels, and breakthrough technologies designed to carry humanity across the voids of space. **Recommended for ages 8+.**

MOR ORIGINAL! SEASON OF LIGHT

Warm up with a festive journey through the winter holidays! From Christmas trees and Yule logs to Diwali and Hanukkah, discover how cultures and religions from around the world have celebrated the return of light for centuries. **Recommended for ages 8+.**

TIPS FOR A GREAT PLANETARIUM EXPERIENCE

- **Admission:** Free for members! Non-members are \$6/show. Obtain your show ticket at the Front Desk.
- **Timing:** Doors close exactly on the hour. Plan to arrive 10 minutes early to grab your seats as we cannot allow late entry once the lights go down.
- **Little Stargazers:** Unless specified as a children's show, our stargazing experiences are best suited for those age 8-10+.
- **Keep it Clean:** Please finish all food and drinks before entering the theater.
- **Keep in Mind:** Showtimes and schedules are subject to change.
- **Closures:** The planetarium is closed on Nov. 26, Dec. 25, & Jan. 1. See page 18 for early closures.
